### Profile

Camilla is an HR Consultant with a solid background in potential evaluation.

In almost 20 years, she has gained extensive experience in designing and implementing projects for medium-to-large national and international organizations.

She has worked for important consulting firms, both Italian and International. Furthermore, Camilla is highly trained in Hogan tools: she is Hogan Certified, so she can administer and interpret the results, and she can also successfully deliver Hogan Certification Workshops.

Besides, she holds a Six Seconds Certification, which equally allows her to administer emotional intelligence tests and give feedbacks based on their results.

Throughout her career, Camilla has taken part into organizational transformation processes for large companies, managing assessment and training sessions.
